

DEMANDING INDUSTRIES

WELDING & MACHINING

Large parts with high requirements,
delivered on time.

ENIM
CHINA

We manufacture and weld high quality parts.

CNIM China is a top quality French industrial company in China, 100% owned by CNIM Group. Since 2005, CNIM China designs, manufactures and assembles high-end electromechanical systems and large welded parts for the Industry.

ISO 9001:2015
ISO 14001:2015
OHSAS 18001:2007

Reactivity, flexibility, on-time delivery: we are **a partner you can rely on.**

A partner for many years of European manufacturers in the automotive, nuclear and maritime sectors, CNIM China sets itself apart by the quality of the parts that come out of its workshops, **meeting strict deadlines** and optimized costs. We manufacture parts in steel, stainless steel, duplex, according to CODAP, ASME, RCCM codes.

Welded structures & parts for **demanding industries.**

Our welding experts are trained in international standards. Our parts are checked internally and by certified organizations. We weld up to 80 mm thickness.

HIGH PERFORMANCE
MACHINES

/ LARGE MILLING MACHINE

X 6 000 | Y 2 500 | Z 1500

/ SMALL MILLING MACHINE

X 1 050 | Y 530 | Z 510

/ LATHING MACHINE

420 diameter | L 662

/ STEEL
/ STAINLESS STEEL
/ DUPLEX

/ 4 to 80 mm thick welds

/ CODAP, ASME, RCCM
codes compliance

Your projects from **A to Z**

We weld, we manufacture... but also we design, we industrialize, we install and we maintain. At each stage we are at your side.
